No substitutions on Burger Conclusions & Experiments.
If you want it your way, build your own.

In our lunchbox:

- Our super-beef patties are made from American Kobe-style beef. Use extra napkins.
- All our burgers have lettuce, pickle, onion & tomato.
- If we use a brand name, then we use the real thing. We don't fake it.
- Bean Patty can be a tasty alternative on any burger
- Bacon is honey-cured
- Organic Kaiser buns from Essential Bakery
- Salt has a purpose, and a flavor. Ask your server about our handcrafted salts
- Our friends at the county would like to remind you that undercooked meats could kill you. But then so could walking across the street.
- We've got gluten free buns for \$1.
- Burgers come with your choice of:
 - Skinny fries
 - Crispy tots
 - Potato Salad
 - Sweet potato fries (add .50)
 - Housemade chips
